## Join us

for this excellent opportunity to meet with current and prospective WasteWise members, learn what others are doing to enhance their waste reduction programs, and ask questions about your own program.

## What is WasteWise?

WasteWise is a free, voluntary program that helps organizations reduce costly solid waste, benefitting their bottom line and the environment. It's flexible and allows members to custom design waste reduction programs to fit their needs. EPA WasteWise is working with the Massachusetts Department of Environmental Protection (MassDEP) to provide more assistance to Massachusetts organizations. For more information on the WasteWise Program visit [www.epa.gov/wastewise](http://www.epa.gov/wastewise)

## Benefits of Joining WasteWise:

- Potential awards from MassDEP and EPA
- Savings for your organization from your waste reduction efforts
- Positive public relations stories with additional MassDEP and EPA recognition through press releases and media outlets
- Opportunity to use Massachusetts WasteWise logo in your company reports and correspondences
- Free technical assistance to help you develop, implement, and measure waste reduction activities
